“ *My condolences are with the Scott family. I am so sorry to hear of your loss. Mrs Scott always made my family feel apart of her family. She always extended a smile and warm greeting each time we came to a family event. I remember sharing in the anniversary of Mr. and Mrs. Scott it was such a great memory to have shared with the Scott family. She was so excited and over joyed that all her family and dear friends shared in this event. She will be truly be missed. She had such vitality and enjoyed living life. She is now in the arms of God. She will always watch over her family embracing them from heaven. She will always be apart of your lives. No one can ever replace the love of a Mom.*

My family will always have great memories to treasure. The Scott' family will be in my thoughts and prayers during this trying time.
