“ *Every New Year we would speak to this sweet lady - whom we met because of hurricane Katrina. We spoke other times throughout the year and the last time we spoke she was as upbeat as ever! She will never be forgotten. She's forever in my heart. We love you Ethel and we are happy to know you are now reunited with your two children. Joe May God bless you and your family. We enjoyed our visit to NOLA and will treasure that time we spent with you also.*
