“ My most sincere condolences to the family. I have not seen Mrs. Bordenave in a while, but still have vividly memories of her, her kindness and her smile. When Felix and I were working in Austin, Tx, we used to drive to New Orleans with Denise as often as we could and I stayed at the Bordenave's home several times. Mrs Bordenave was always so sweet and accommodating to me. She loved her beautiful city of New Orleans and was happy to share stories about New Orleans with me. I am sure you will miss her dearly, and I am so sorry for her passing. But please know that she got into our hearts and her presence will be all of us that we're fortunate to meet her and spend some time with her. Love you all, and hope you find the strength to get through this sad time.
