“ *Dear Wanda and Lakeya,

I remember you and Felton supporting Lakeya at St. Leo the Great School. My, how the years have flown by. I am so sorry to learn of Felton's death. May God bless you both in this hour of sadness. Remember, weeping may endure for a night, but JOY comes in the morning.*

“ *Taylor Family:*

My heart is very heavy that I was not able to attend the home going service of a beloved friend. I have known Rev. Taylor since the early years with the Freedman Association and he has always had that beautiful smile and wonderful personality. Worked together on different committees he had a love for young people and most of all Reaching those that were lost. He never failed to ask about my mother whom he had know for a very long time and during her passing he called to give his condolences and give words of encouragement. At a time when words are hard to find may the God of comfort bring you the peace that passes all understanding and the assurance of His loving presence during this time. When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee.
