“ Dear Jane, Mrs Emma and siblings, Kim and I are very saddened by Gavin's death because he shared such a big part of our lives. We will always be grateful to him for how he helped my father pack up his precious home when he had to leave it for health reasons and how much he helped us in the renovations of our new home. Over all that was the friendship that was developed with him and all of you that has lasted even til today. We will have Masses said for him and all of you, especially during this time.
With heartfelt sorrow and fondness,
Darleen, Kim, Linda and families
