“ Sending our love and prayers to Geoffrey, Nia and G5. Our hearts are truly broken but God needed you more in heaven cousin. Words cannot express the sorrow we feel but we will forever remember all of the fun talks we had and all the family history you shared. You were the glue that bound so many branches of our family tree, you gave the family history like no other and made our Walls Castine Reunions all the more fun each time we gathered. Your zest for life will live on in your legacy through Nia, G5 and even little Lucas. Rest easy cousin...as you join the ancestors above. I'm sure when you realized you made it to heaven you said "Dig It". Forever in our hearts dear cousin.
