“ When I try to take a break and relax in my busy life, my heart , it does ache, and all i think is how i miss my Husband.

*I hurts me so bad, all this pain inside thinking of the love we had and the tears I have cried. I think of places that we wet to , and how I love you with all my heart.*

*I have just lost you: the pain is hard to bear. Please , someone explain to me why you had to go. I sit here and remember all the lovely times we shared , talks , the laughter of everyone you cared. They say that time will heal all wounds . I know this could be true. It's lonley in between times . That I start missing you.*

*I still say I love You, But now there is no reply. I always feel your presence*

*As if you never left my side. You're always by my side, But I cant hold your hand.*

*The reason why GOD took You , I find hard to understand.*

*Rest in peace with your Heavenly Father until I see You again.*

*Loving Wife,*
