“ I am so sorry to hear about the death of your most beautiful loved one Gloria Broughton. I pray that the many fond memories of her will always live in your minds and hearts, When our loved ones are no longer around for us to share special moments with, our hearts have a huge void. How good to know that our loving heavenly father deeply cares for us and knows how to heal anything and any situation. He has promised that the time will soon come when he will bring all those who have died back to life by means of the resurrection. John5:28-29 What a wonderful time that will be! Please know that you are in my thoughts and my prayers. Once again I am sorry for your loss!
