“ To my Mission Family today was hard for all of us, but we sent mom off like a queen. I just want to Thank you for sharing such a great gift with me and Domonick. She was like no other a blessing to many and someone we will carry in our hearts forever. The life you live on earth is what speaks for you in your death. She has touched so many people ,with her kind heart. Mom met no stranger in her life time. If you needed a person who was full of wisdom and stories to tell, then she was the one to listen too. The one thing I will always remember about her is the Love she gave to all that knew her. I will miss you but I will carry you in my heart for always . We had a love that was special and shared so many good time together. Rest well mom in the arms of Jesus and I will see you again one day.
