“ My prayers are with Hazel family. We lost a Jewel, one who touched so many lives. A woman full of joy, always giving an encouraging word to others. I will forever remember the joy she brought to me and my husband as we celebrated our 50th Wedding Anniversary in Paris, France. I can see that smile and those hands lifted up giving God the praise. You will always be remembered and never forgotten. RIP my sister until we meet again. Love you Patricia and Leonard Harris Menifee, Ca.

“ I met Hazel last year while preparing for a concert tour to Mexico City with the New Orleans Black Chorale. She was a ray of sunshine; always upbeat and welcoming. I enjoyed her loving spirit and joie de vivre. May her memory be for a blessing.

“ I will always remember those beautiful eyes. I am shocked and wonder what happened and why. I met Hazel as she was preparing to return to her beloved NOLA, and used to kid her about having no weight to watch as a Weightwatcher's employee. I will miss hearing from you over FB. Rest In Heaven, my friend.

“ Please accept my heartfelt sympathy. Hazel was such a kind and beautiful spirit. Her infectious personality made you want to live life. I loved hearing her jovial laugh and the way she tilted her head when she'd ask in that "what's really going on" way, the way only Hazel could. She will surely be missed by the people who knew her, and especially those who loved her. What a life she led. To Hazel's family, take comfort in knowing she now knows no sorrow or pain. I'm sure she's having a Hallelujah good time with all the angels in Heaven. God bless you all. May her soul rest eternally!

“ Hazel and I had several conversations, reflections, etc.. "Who do we think we are?" is only one of the things she said to me once that I have never forgotten. It reminds me to stay humble. I miss our talks Ms. Hazel. I'm happy to know there are many others you shared your words of wisdom with. I'll pray for your sweet soul always and for your family and loved ones left behind until reunion time. I love you!
