“ *To Gerald and his Family,
I will always remember Helen as a very sweet and caring classmate
and friend. Most of all etched in my memory is "Helen and Gerald",
never see or mention one without the other since junior high school.
You all were a wonderful role model of a loving married couple and I
always admired you all for being life partners. I know you will miss
her, but your comfort will be that you held true to your vows with her
and took good care of her while she was here in the flesh, but her
spiritual self is now free to be with God. Gerald take care of yourself
as Helen would want you to because she had a true undying love
for you and her family. I will pray that God will be with you and your
family in your hour of sorrow.... Take care. Carolyn Edwards
