Tribute Wall

“ *To the Family of Herman Wallace: The members of Workers World Party in Houston and around the U.S. send our deepest sympathy to you for your loss. Herman was a courageous man who fought for his freedom until the end. We have supported the Angola 3 for so many decades and know that one day Albert and ALL political prisoners will be free. Herman's courage in the face of the most racist injustice while tortured in solitary confinement is a tribute to the human soul and Herman's understanding of the role of prisons in this country.
