“ Linda & Family - You have my deepest sympathy in the loss of your mother. My prayers are with you & know grief has no time limit. I know the pain & loss. Apr will be 1yr I sat in the same shoes. Is it hard yes it is. No matter what age you never stop missing your mom. Mama prepare us for everything but not for living without her. Take comfort she's around God's throne. Take comfort her spirit is with you. Your own angel. Trust God, thank God, lean on him daily for strength & comfort. There will be days you cry like a river or days you cry a little. On those uncontrollable days or just because find something she wore & find comfort. But keep your hope & comfort in God.
