“ *May you find strength in the love of family and in the warm embrace of friends. It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these things that help to push away the pain and bring the smiles back again. Your mother "CHICKEN" was a wonderful person who will always be missed. Will keep you in our prayers!*

I only met Ms. Idella in July of this year. We went to radiation therapy together. She was always comforting to me and encouraging. By the time those 6 weeks had passed, I had reached the point where I was looking for her smiling face everyday! I felt so comfortable talking to her. Once, when my mom came with me, they said they felt like they already knew each other... A beautiful person with a heart of God! I'm so so sorry for your loss!
