It has been almost 1 year since you've been gone and my heart still aches to hear your voice, your laughter, or to hear you say "You Think". There are times when I say "Let me call Hart" and then remember, you're not there! You will Forever be in my heart and I will never forget the Best Times of our lives and the friendship that we've shared for over 40 years....

“ Mrs. Iona you are such a bright spirit. I only knew you for a short period of time as my realtor. But in that short time I felt like we were family. Its amazing how we went to see a house one day and the next day you were gone. I enjoyed all the time we spent together and will miss you very much. My condolences go out to all the family and friends of Mrs. Hart.
