“ Hey family, This is Aaron. I am so sorry and hurt to hear about your mother, I tried calling her over the last several months and noticed that the number was disconnected but I didn't think anything was wrong, but after a while my mind wouldn't let me rest so I past by but no one was home. Looking thru the obituary I came across her name (today) and couldn't believe that she had passed, my heart breaks just thinking about the kind, loving and amazing friend she was. If I had known, I would have been there like I know she would have been there for me. I pray that God comforts you and gives all of you strength as you carry on without her, I know her spirit is watching over you, because she loved you that much I'm speechless and hurt but I also know that she's with God.... Be blessed family and hold onto God's hand... Till I see you again, I Love you Irmelda.
