“ I will never forget the special attention Isreal gave to my daughter Misty as a child. I could never forget because she constantly reminds me "Uncle Isreal bought me anything I wanted when I was a little girl and I don't care what people say about him because he was good to me!" Isreal has paid his dues and is home now. My condolences to my sister Blanche because even though divorced he remained in her thoughts and in her heart. My greatest respect for her perseverance and never leaving his side during his illness and hospitalization. Veronica Schneider
