“ I met my grandfather for the first time in late March 2013, just a few days before his 90th birthday. He said he was having a BBQ and he was going to make me a treat. He took my be surprised because it was his birthday we were celebrating, but he was making me a dessert. But that was the type if man he was. He was a giver. I was so happy to have him in my life for 4 short years. There isn't a day that doesn't go by without thinking about him. He will be forever missed and always hold a place in my heart. I Love you Pop Pop.
