“ Just thinking about you Ma Jackie, you were one of a kind, and I thank you so much for playing such a very important part of my childhood; you were my second mother. I am missing you and I can still hear you calling me your daughter. I love you and will see you in Heaven my darling..... Your other daughter....trudy

“ I met Ms. Flot at Mardi Gras 2006, the first one after Katrina. I was by myself, and we happened upon a conversation while waiting for Bacchus to roll. We took turns keeping warm inside the building we were near (to keep out "front row spot), and we chatted and caught stuff all night. I took her phone number, and told her I'd call her next Mardi Gras when I came back (I live in Chicago now). Anyway, the next year, I called her, and to my surprise, she remembered me. However, she didn't come out that time. When her daughter called me to let me know that she passed, because she found my phone number in her phone book, I was truly touched. She was a remarkable woman. I hope she's "second lining" with the Angels.
