“ Lorraine, Billy and I were saddened to hear of the passing of our dearly beloved cousin "Satch." We know that you, Arianne, Angele, the grand-kids, the brothers and sisters, the sons-in-laws, nieces, nephews, other relatives and close friends will all be left with a void because your "Jimmy" as you so affectionately called him was the kind of person that 'once you met him you could never forget him'(smile). He was well respected in his professional field and always the leader. I was so proud to be known as his little cousin who followed him to study Pharmacy. I got to meet the important people at the National Pharmaceutical Association Conventions whenever I attended because he made sure that I did. From my family, the Murrays of South Carolina and me along with husband Billy in Dallas, TX. extend to the entire family our prayers and heartfelt sympathy during your time of grief and loss.
