My heartfelt sympathy and condolences to all my cousins. This culture of social distancing has lessened hands to hold, hugs to embrace and kisses and tears of comfort. Our bond has always been special ... a patriarch, two mothers and 13 children under a single roof, lets remain "family strong". May Tee rest in peace.

To my dear sister Alice, we know that a beautiful Angel have left this place called Earth and walked into the arms of Jesus. Her light will always shine because of the legacy she left behind. God cracked the sky and she waved goodbye so we celebrate her life because we know when this earthly vessel pass away we have a building not made with hand. The ultimate makeover is glorified bodies. Continue to allow God to use you for his glory!

Celebrating the day your mom took wings! Your Gift but Heaven reward ! Alice, you already know your mom was so proud of you , being the Amazing woman that you are. God is the River of life that runs through you. The Rock of hope beneath you. The Eagle of Glory above you. The Spirit of Grace within you . May He open the heavens and pour His blessings over you and your family. Always cherish the memories and know your mom is walking besides you everyday! May his peace be with you and your family and may his love surrounds you today and forever.
