“ My Nelly Nell.... the absolute best from the first day I met you 17 years ago. Always showed me love as if I was your own. Gave us the game on how to handle ourselves as women and of course, tore it up with us on the dance floor each and every year. Even gave me my only Birthday party in high school. Always excited to see me and gave the biggest hugs with the biggest smiles. Always looked out for all of us and acknowledged us all as kiecha's ride and dies. We'll definitely continue being there for her and the family as you loved having us. Thank You for welcoming me into your heart and home. I Love You Nelly Nell!!

“ To my Boo mom,
You were that cool mom I wish I had growing up. You always showed up and out for you children and grandchildren, and I admired that about you. You worked your butt off to make sure what they needed was met before making sure you were good. You will be truley missed Nell. I love you dearly.
