Janice retired from the Dry Cleaning business where she was dedicated to her work. She was diligent, professional and had great work ethic while paying attention to detail.

Janice enjoyed music, dancing, and dressing and not a hair out of place. Her favorite type of music was Rhythm and Blues. the kind of music that take you back to the years of yesterday. Her love for fashion was phenomenal. she

loved looking her best and the mirror was her friend. Her favorite colors were white, red and orange. Janice was genuine, real in her ways. If you knew her or was even in her company you would know that she would say and tell you exactly what was on her mind and heart. You could say that she was authentic.
