“ *Ecclesiastes 3:1 To everything there is a season, and a time to every purpose under the heaven.*

Lemle, as I called her, was a wonderful and caring patient, daughter, sister, attorney, aunt, and friend. I will forever cherish my fond memories of the multiple conversations we shared discussing her chemotherapy, symptoms she may have exhibited, current events, her thoughts, or general conversations. I smile as I remember her smile. My favorite memory is just calling her just because and checking to see how she was feeling on that day.

Lemle was very humble. She always thanked you no matter how she was feeling. Incredible, yes was. Remarkable, absolutely. I'm thankful for the opportunity to have known and cared for Lemle. She will be missed.

Family you are in my prayers during this difficult time.
