“ Though many years have passed, I still remember Janis and her kindness. At Mount Carmel, she loved learning and was always glad to help others as well. She was a genuine friend and always had a smile brightening the day. How proud her family must have been of her throughout her career as she became so successful. I am very proud of her as well. I send my prayers to her family for comfort and strength during this time and hope that they know that God has welcomed Janis home in Heaven. Her sweet spirit for life and love and kindness will always remain with those who knew her and should be a strength to her family of her sweet memory. May we all meet together one day in Heaven when we are called to meet our Father.

Blessings,

Debbie Clement
