“ *Jasign was a great friend to my son, Aaron, for the last ten years of Camp Starlite. Aaron has many memories of their wonderful times together. Jasign, George, and Aaron were called the 3 musketeers. They were always together and looked forward to their time together. Jasign was a year behind them but, they always made sure he was in the cabin with them. "Bay 1 rocks!" Aaron says, "Rest in peace my buddy! Until we meet again." Sending our deepest sympathies and lots of prayers to the family. Love, The Davids - Lisa, John, and Aaron*
