“ *I am so sorry to hear about the passing of your most beautiful and beloved child Jayla. I know that your hearts are heavy and I pray that the wonderful memories of special times shared will forever live in your hearts. How good to know that Jayla is only sleeping and that one day our loving heavenly father will bring her back to life by means of the resurrection. John5:28-29 What a wonderful time that will be! Do not let your hearts be troubled. Believe in the promises of God and find inner peace. You will see Jayla again only this time, nothing will separate you again because death will be gone forever! Rev21:3-4 Once again I am truly sorry for your loss. May the love of Jehovah and the compassion of his dear son Jesus Christ provide your hearts with peace.*

“ *She was so very, very special*

And was so from the start

You held her in your arms

But mainly in your heart

And like a single drop of rain

That on still waters fall,

Her life did ripples make

And touched the lives of all.

She's gone to play and dance with the angels

In heaven up above

So keep your special memories

And treasure them with love

Although your darling daughter

Was with you just a while

She'll live on in your heart

With a sweet remembered smile

With our deepest condolences :(Christine & Oscar Lucio, Robert &

“ *So very sorry for your tremendous loss. Jayla was by far one of the sweetest children I have ever met. My kids attend Audubon in 2nd grade and they brought in their favorite miniature teddy bears for Jayla.*

*I never met Jayla so I didn't really know her. I learned of her passing thru family members. All are nice, wonderful people. But when I saw her picture in the newspaper, it really struck my heart. What a sweet, perfect little angel !! When a child passes it takes all your hopes and dreams and future, and there is nothing I can say to make anything better for anyone and I can't even imagine how the family must feel. Just know I will never forget that PERFECT little face. Sincere condolences and prayers for Jayla Rae
