“ *My Condolences to the Harris family,
and Mrs. Patrice Harris.*

When Jessie and I met In 2006 we hit it off with our friendship and cool vibes the first day. We became brothers from other mothers. Our journey together brought us so close,. we worked together, hustle together, played together no matter what we needed from one another we never turn our backs to each other. Jessie was the big brother he always gave me positive advice when I needed it most. Jessie moved me and my family from five different houses, and each time were good times. Jessie is going to be well miss. But he is resting at a better and heavenly home now. Rest in peace Jessie Harris GOD BLESS...
