“ I just found out about Dr. Jackson's death and regret that I was not able to say my last goodbyes. I am a physician today thanks to you! You took me off of the steps of the Desire Housing projects and made sure I went to medical school. You were like a father to me, seeing me through good times and bad! You have and will always live in my heart forever! Rest in peace.

“ Our prayers and symphathy goes out to the family of Dr. Johnny Jackson. My family (the Dennis family) have been long time friends of the Jackson family over the years, and Johnny will certainly be missed but never forgotten. We love you and God Bless you always. Max and Eardell Dennis of Hayward, California.
