“ To the Reeves and Monnet family, may God God give you comfort and Strength. Although we only know Jonathan and his mom for a short period of time, he was definitely such a sweet young man. He became buddies with my daughter Jazmyn at church in Los Angeles, ca. She stated today that she misses him as she knew he moved back to Louisiana. I know that as he was an angel on earth, he is definitely now an angel in heaven. God bless you guys!!

“ We never met in person, but to read your mom's descriptions of your antics and the joy you brought to her life, I think I know all I need to know. You are so loved and there is breaking in so many hearts today because you are gone. But the smiles will return with the memories of you and the joy will return with the sound of your laugh. Life will go on and you will be an important part of it because of the great impact that you had on so many in such a short time. Rest in Heaven, Angel "Duckie". --Ashleigh Dennis-Silas
