“ Tasha, John, Jonte, Jeon and John-John...words aren't enough to express how much I wish I could be there to hug you all. Through this unimaginable and unbelievable time, please know that in your own time brighter days will come, your tears will dry and your heart will mend, because all you have to do is think about "Ten's" huge smile and big hugs! I missed his adult life but I'll never forget my "little helper". I'm praying for God to cover and give all of you peace. Love and miss y'all very much,
Neka
