“ *I first meet Jonne through his wife Shelia who was my supervisor at the time. I meet him in December 2010 while at our work Christmas party. This was my first Christmas party which was at Mr. Simmons house. I thought very highly of Jonne. I even told the person that was with me what a good man Jonne seemed to be. He never meet a stranger and made me feel like his family. I knew he was a very caring man, loving man and he loved his family very much. I also remember going crabbing on lake road and running into Jonne, Shelia and the boys and Jonne said girl we are here every weekend y'all need to come with us more so I will always remember you while I am there. God bless you my friend RIP u will be missed but never forgotten and God bless Shelia, Jonathan, and Josh. I love you all and will continue to pray for comfort and healing.*

“ I had the privilege of meeting Jonne and his wonderful family only once, and shortly before he passed away. So, though I did not know him long, I feel I knew him well enough to say that he had a fun-loving, generous spirit and heart. When one speaks of the light within us all, I would say that Jonne's light was bright and available for all to see. His death is a great loss to many i am sure and my prayers and condolences are with Sheila and their two sons. I pray that God will give them the strength they need to get through their time of grief. May God bless you all.

sincerely,

“ I can't comprehend just how sad you must feel
For the loss of someone you love.
This sorrowful time must still feel unreal
And you're looking for strength from above.

I hope, from my heart, that your pain will decrease,
That your spirit will gain strength again,
And I pray that your faith will create inner peace
And that God will send blessings--Amen.

Till then, if you need me to lighten your load,
I'm waiting to come to your aid.
Just call on me, and I'll walk down that road,
Until the dark times start to fade.
May the Lord give you the comfort from this day forward.
Love to all of you,
Marissa Magee Narcisse and Family

“ *Sheila and family, with deepest sympathy and comfort, know the strength and love of God is like the ocean, you can see its beginning, but not its end____!!*

God said: "In your darkest hour, In your deepest despair I will still care. I will be there; in your triumphs, in your tribulations, do or doubts, through your fears and convictions, in your anguish, in your pain and through your joy; and your sorrow and the promise of another tomorrow. I will never let you part, because you will always be in my heart."

“ *Jonne and I served on the USS Mount Whitney together in Norfolk, VA. We didn't remember each other but I'm sure we ran across each other a lot since he was a mess cook and I stayed begging for food. We didn't know this until we were talking one night at his home during his birthday. That was definitely a night to remember. We'll see each other again one day shipmate.* ”

“ Jonne where do I began?? I still remember the smile that you gave me when I pull up at the house after work. Your words were you just missed the kick... we won the game!! You were so excited! We laughed and share photos at the table, and not once I would have thought in a blink of an eye that it would have been the last time that we talked. The only thing I keep thinking is GOD put me at your house at that time for a reason. I can go on forever about the many memories we shared and the good times, but I know now that GOD has gain another Angel. Know this I have Jonnathan, Joshua, and Sheila's back. You will be missed but never forgotten. I will always love you.

Love,
Your Baby Girl
