“ I have not spent a lot of time near you, nor much time on the phone. I have not met your children, my cousins and those of their own. I have kept you within and warmth with memories of your everlasting smiles.
Your spirit I saw it!
It was televised during Katrina,
Don't quote me on that, but I'm sure it was you.
I'm sure we'll meet again and be as it should, with friends and families and those from the hood.
Uncle Joseph
My heart has not stopped smiling the last we talked.
Love you more than just a lot!
