“ *My Brother Paul,*

You and your family have my sincerest condolences and sympathy at the passing of your mother. No words can remove the pain and sadness but I pray that God's Word will comfort each of you, knowing His promises are true. She now rests from her labors, pain and troubles in this world. I pray that you all will see her again in heaven. Until then, remember all of the laughter, kindness and smiles she gave you while she was with you.

If there is anything I can do, please do not hesitate to call.

God Bless. Love You Much... Praying for your comfort and contentment... 🙏👍👍😞
