She was the proud grandmother of six grandchildren, Christopher, Jr., Ryan and Bryan Robinson, Gabriel James, Alaina Grant (Garrick) and Maria Huntley; and two great-grandchildren, Natalie and Cameron Grant. She is also survived by her three nieces, Monique Parfaite (Timothy), Mia Watts (James) and Jessica DeGruy and one nephew, Melvin DeGruy, Jr. She was preceded in death by her parents, Anita Broussard and George Monroe, and her sister, Jocelyn DeGruy. She leaves behind her cousins, Gerard, Michael and Patricia Abair, who also considered her a dear friend, and her aunt Anna Mae Robinson. She will also be missed by countless other family members.

Ms. Robinson was born in New Orleans, Louisiana. She graduated from McDonogh #35 Senior High School and Sydney Collier Nursing School. She gave 30 years of dedicated service to the State of Louisiana's hospital system at Charity Hospital where she passionately served as an on-call nurse and lab technician. She was a devoted and faithful member of St. Paul the Apostle Catholic Church, serving in several capacities including an RCIA coordinator; a Catechism teacher; and a member of the Ladies Auxiliary of the Knights of Peter Claver, among other willing service that she gave to her church.

Ms. Robinson loved singing and writing poetry and she also loved to travel.

She especially loved to go on cruises, which she did every year until she became ill. She was a member of the 55 and faster group who were a group of seniors that celebrated life and loved to have a good time together. She had a host of other friends and acquaintances that she touched with her beautiful personality. She will truly be missed by those whose lives she touched. Because of the COVID-19 pandemic her memorial services will be private and only immediate family members will be in attendance. In lieu of flowers please make a donation to the American Diabetes Association. Arrangements will be made by D.W. Rhodes Funeral Home.
