“ My sympathy to you, Consuella and family. At such a time as this, all the words in the world often bring no comfort but I want you to know that you are indeed in my prayers and in the end, it is only God and His wonderful gift of time that brings healing to our broken hearts. Much love to you and your family always!

“ Daniel, Consuela and family,
I am so sorry for your loss. She was a spirited and great woman who I loved to see smile and see what fancy dress or hat she was going to have on. (a true Diva) Her support and presence in your family will live on in the great memories of her... In time may you find comfort in all the memories and times that you have shared with her. She is truly at peace now with her heavenly father who she served here on earth. God Bless you guys and I'm praying for the family.
