“ Thoughts and prayers to the family and friends of Kayren. She was one of the best surgical techs I ever worked with. When I was in the OR with her, she anticipated any instrument I needed without asking, and placed it in my hand. She was shown in an article in the Times-Picayune with me, illustrating her surgical skills. She helped me with the successful outcomes of many surgeries. I loved her for not only her skills, but also as a warm and caring person. I considered her my friend and share in your loss.
