“ Tammy and Shawn and Family,  
I feel lucky to have known Keith and to have become friends and colleagues over the past twelve years. Keith was one of a kind - a big spirit with love, passion, ideas, commitment. We would meet for lunch occasionally to catch up on our lives, the school and the students, sports, and all that was happening in the world. His spirit will remain with all who spent time with him.  
My condolences during this time of passing.  
Jay
