“ Keith was a special person and made a difference to myself and my clients. We worked with him over the past 8 years for our conferences at Monteleone. He was an inspiration and a friend. I was lucky enough to see him and visit on Nov 6 during our event at Monteleone. He always was devoted and went above and beyond. He will be missed. Your family and all the Monteleone Family are in our prayers. - Krista Richter, Greater Texas Education Foundation & Association of Extremity Nerve Surgeons. (krista.richter@yahoo.com)
