“ I am so very sorry to hear of Keith's passing. It has been a great honored to know him, He was such a talented and amazing person with a heart of gold. Keith was a big part of Irma Tax Services over the years as a friend, adopted family member and my personal computer specialist. The light that he brought into my life and business will always remain in my heart. Keith will never be forgotten may God grant him eternal rest. To the Ducree family I pray that God grants you comfort in your time of sorrow and strength going forward. And may God bless you with a heart full of wonderful memories of times spent together with him and family. Gone too soon but never forgotten.

“ I first saw Keith on our family girls cruise to Mexico and wondered, who is this guy and why is he at our dinner table? To me he seemed to be serious about Brittany as soon as he met her and I loved watching them together and even like the pictures when I saw and new that he was not with another lady but with his guys group also. You should see my big smile even today when I think of the two of them together. I am sad because God called his child home. I pray that Brittany, my niece, will always remember and smile about the times that they spent together. I extend my condolences tp his family and friends.

“ Although I was only knew you for a short time through one of your very close friends, you were funny and kind to me and my children. You brought Brittany into my life and your light just shines. Sending all my love and light.

“ My condolences to the Ducree and Augustine family! May God continue to give y'all strength and each other shoulders to lean on during this time and every time Keith comes to mind. I grew up with Keith in Avondale. Him and my brother Eric are like brothers. Keith's passing has been pretty hard for him as well. Losing loved ones, whether their family or friends are hard to accept, but it's even harder when that person was a person with a kind spirit, good heart, and loving personality, such as Keith. I have been and will continue to pray for relief for this family.
