“ I was so devastated to hear the news of my uncle`s death. Please know that my thoughts and prayers are with you aunt(LINDA). Please accept my sincere and heartfelt condolences at this most difficult of times and please pass these feelings onto our family. I was absolutely saddened to hear of my uncle passing. He was a great guy and I`ll always remember the many times he made us all laugh. I would like to express my sincerest condolences on the passing of your loving partner.

There is a great emptiness left by (Larry Curtis, Sr.,) passing, but I`am certain that the strength of the love that you and our family share for each other and for the love we have within us will get through this difficult time. May that love honor their memory and may you cherish the time you had together.

Everyone says he was a loving and caring person. Though we may have been kept apart physically by the (MILES) between, the emotional bond and love between you was as strong as if you were living in the same house. My uncle Larry Curtis Sr, was a valuable and highly respected individual. The effect of his loss are being felt already by those of us who had the honor and pleasure of being around him.

I`m so sorry I could not be there in person to convey my condolences. Though I may be far away, know that my spirit and prayers are with you. I will miss my uncle so much. He was a dear uncle whose presents I cherished.

Death is not extinguishing the light; it is putting out the lamp because dawn has be came. Life is eternal, and love is immortal, and death is only a horizon; and a horizon is nothing save the limit of our sight.

Though nothing can bring back the hour of splendor in the grass, of glory in the flower, we will grieve not; rather find strength in what remains behind.
