“ *My condolences go out to the Lewis family. Death is an enemy we can't wait until God swallow up forever according to Isaiah 25:8. I hope the Lewis family finds comfort in the God of comfort.*

“ *We can know by our faith that Leila will be rewarded for the gracious and blessed life she led. Along with our faith and trust in God, it is where we'll find the peace and comfort we are seeking to ease our pain. She was an inspiration and highly thought of by all that knew her. It was a blessing to see her grow up in the church and blossom into a beautiful woman. Sending love and light to you all.-Sis Howard&Family*

“ I will like to send my condolences to Leila's family and to hear of her passing has saddened my heart. I met Leila at our Edwards Elementary school and many years ago and we were so close throughout those years but lost touch after going to different high schools. I have never met someone like her before. She was very smart, the sweetest person I know with such a tiny voice lol but she didn't play either. My dear friend rest on in heaven..... You'll be missed.
