“ *To a true ray of sunshine! Leo, may you Rest In Peace, and know you were a caring, loving friend to many. You were a delight to know, and heaven can only be bursting from the seams with the joy I know you will bring with you. You will be missed by all you have come across in life, even if for a brief moment, because you have touched all with your memorable, infectious, and giving personality. You were definitely taken too soon, and surely will be thought of often, for all you were to the many that were lucky to know you.*
