“ Goodbye, best friend/ my heart
We've done a lot of things that we'll never regret
The good ones or the bad ones, the moment's I'll never forget.
It's so hard for me right now, because I am feeling blu and happy all
at the same time, because we shared such a beautiful everlasting
friendship that I will continue to carry in my heart. By accepting the
fact that, my life's never the same without you.
You've been here with me, through my ups and my downs. For that,
I know! You'll be willing to walk on by the outskirts of all the towns,
Just to help me through my problems all along with me.
Now that you are gone, I have to be strong for your Jive ***!
