“ To: Betz and Stamps Family;
I would like to take this time to Thank you for allowing Ms. Betz to be apart of my life. A many nights Ms. Betz would wait on the porch for me to get off the bus after working the 3pm.-11pm shift at MCLNO. After getting off the bus she would come off the porch and wait at the gate until I walk the two blocks to my home. Then she would wait until I call her and tell her I was inside. Now remember this was almost midnight when this was taking place and she had to be at work for 7:00am. Ms. Betz would always ask about my son and how he was doing. I am so sorry that she is not going to be with us to attend his wedding next year. God has a true jewel in heaven with him now. My prayers are with you in your time of loss.
