“ Victor,  
*I have no words to comfort you during such a time as this, but I want you to know that I am here for you. Your mother was a woman of love, kindness, compassion and never one to hold her tongue, lol. I have so many great memories of her, but the one thing I will never forget is her love for family and the way she embraced me as her own. I pray that God will strengthen you in the days ahead.*
