“ Heart felt greetings all, my family and I offer our thoughts and prayers to you and all the Smith Family and extended families. We didn't know Lolleen as we wish we would have but have heard so many great things and know that she is with God, with others that she loves, and is looking down on all her family with joy. We love you all from Jackson, MS.

“ Hi Family of Lolleen, I wish to offer my heart's feelings for your grief. However, she is in heaven with my father and mother making friends with them and sharing stories of the good old days on earth. Find some joy in the fact she is happy although you both miss each other very much.
