“ My condolences to Lorraine's daughter and family. So sorry for your loss. I heard about Lorraine on yesterday at Dr. Freiberg who I and my family have been a patient for a long time. That's how we got to know and become friends with her. She was always nice and caring to us. When I heard that she had become ill and no longer at the practice. I had her in my prayers. My family and I will miss you and your smile.
