“ *Lucien, I love the music that you played, I will miss you in the flesh, but I will remember you in spirit always. The last time I seen Lucien it was at the Fairground Race track. I was betting on the horses. I heard a band playing, so I went to see what was going on. It's Lucien with a big smile, we shook hands and I started to second-line. Charles, I wanted to be there. I'm living in Arlington, Texas.*

May the Great Comforter enfold each of you in His loving arms and give you His love and comfort. Peace, Mrs. Adams
