“ I was totally in shock when I found out today months later about Macks passing.I met Mack on a game called secondlife. We knew him as M3 he joined our football team and we became fast friends and family soon after. Macks light shone so bright that even in this virtual world we played in he touched our hearts.We all loved him so much and our heartbreaks he will be missed and there will be a void forever in our hearts where he use to be.To his friends and family I am sorry for your loss. Mack was truley an amazing person and I will never forget him.

“ I would like to extend my deepest sympathy to your family for the loss of your loved one, Mack. The Bible gives us comfort at Isaiah 25:8 where God makes this wonderful promise to swallow up death forever. Soon no one will weep because of losing a loved one. What a wonderful promise to look forward to! May you find comfort in this promise from God's word the Bible.
